3rd Annual Pork Chop

CCA hosted our 3rd Annual Pork Chop Dinner Fundraiser on Friday, March 2! As with the past two years, we had great success! Thanks to generous sponsors and a supportive community, CCA raised over \$16,000 to continue classical Christian education in Moultrie.

Each dinner included: smoked pork chops, fresh green beans, scalloped potatoes, freshly baked rolls, and a slice of homemade pound cake!

Dinners were available for pickup from 5pm to 7pm at First Baptist Church of Moultrie. We were able to donate many plates to local police, fire and medical personnel. Thank you for your continued support!

Our students met their goal of selling 700 meal tickets so they were treated to Sky Zone in Tallahassee on Friday, March 16th.

CHAPEL

March 23 @ 8:15am

Guest Speaker:

Mr. Eric Foster-Whiddon

Chapel and Open House for Prospective Families

Open House for Prospective Families

Following our Chapel service on March 23rd, CCA will host open house for any interested families. We will continue to host Open House for Prospective Families on the last Friday of each month after Chapel.

Gifted Program Development

CCA is in the process of developing a gifted program to enhance and enrich our current curriculum. We are coordinating with Mrs. Nancy Slocumb and Mrs. Darla Harbin of Thomasville City Schools to screen students under parental consent. This screening will simply give teachers, students and parents more information about the student's strengths and abilities. We desire to nurture students' strengths so that they can use those in their post CCA lives. Students that are identified to be gifted will be involved in gifted coursework through the school year in 2018-2019.

Special thanks to the Sheriff's Department for sharing your time with us!

BOX TOPS FOR EDUCATION

Please collect Box Tops for Education to send to school.

This is an easy and simple way to raise money for our

Looking Ahead....

CCA is projected to increase enrollment significantly for the 2018-2019! We have been able to adjust tuition so it better meets the needs of families who desire an educational path we provide. Additionally, we have been blessed with financial aid money through Golden Dome Scholarship Organization. Families may apply for financial aid through our website www.colquittchristian.org.

With projected enrollment increase we will add to our teaching team. We ask that you help us by pray God's continued provision over our school.

Our teachers will be attending the Association of Classical Christian Schools in Dallas, Texas in June. This is a very positive experience for us to gain wisdom from more experienced classical Christian educators and spend time together which will allow us to be a stronger team! We are blessed by the generous donation which allows us to attend this year. <http://2018.repairingtheruins.org/>

CCA is preparing for extracurricular activities for next year!!

Here are some events we are preparing for:

- Fall Sports will include: 5th/6th grade football, 8 man Middle School football, girls/boys cross country (middle school)
- Winter Sports will include: Middle school and High school swimming and archery
- Schoolwide Spelling Bee
